

Kettler Kapers

By TEO CUNNINGHAM, Lomita 232-J

Summer for the kids has started... School is out and if your youngsters are as excited with the prospects of the summer's activities as my two are... Well then, I guess they are just normal active youngsters.

We have lived in Torrance for 6 1/2 years now, and it was only a couple of days ago that I found out about the full recreation program that is offered at the parks and schools. I knew there was some activity, but I had no idea it was so extensive and covered so many fields... Really there is no excuse for anyone to lack things to do. We have traveled over a good bit of the United States, but I don't believe I have ever found a town that had so much to offer and this family, for one, is going to take advantage of it. Daniel is looking forward to those swimming sessions at Alondra this year, and Jorie is feeling so grown up and independent because I have said that she may go to the park for the supervised play offered there, and even mom, I'm going to take advantage of the program offered at the high school gym to see if I can't brush up on my golf technique and surprise dad. If any of you are interested in finding out what activities are offered that you might like, you may pick up a list at the Recreation Department office, next to the Civic Auditorium.

Having her vacation at the first of the summer, and with a good reason, is Mrs. Betty Dickson, of Middleboro, Md., who left June 4 for a six-weeks visit

GAIN NEW JOY IN LIFE

There is no need for you to be tired, nervous, cranky or constipated if due to dietary deficiencies which occur only when the daily intake of B vitamins and Nicotin is less than minimum requirements over a prolonged period. These non-specific symptoms do not in themselves prove a dietary deficiency and may have other causes or be due to functional conditions.

If you've resigned yourself to a life without companionship... without fun and parties... simply because you haven't the necessary

Bexel Special Formula the wonderful new vitamin compound, may be exactly what you need to put you on your feet again if you... like so many, many others... are suffering from common symptoms of specific deficiencies. Where such conditions are due to lack of B-vitamins, iron and trace minerals, known to be essential in human nutrition, Bexel may be the "miracle drug" you are looking for to put you in tip-top shape again! Amazing new medical formula combines the essential B vitamins, iron and trace minerals needed in human nutrition.

and Terry, and her mother-in-law, Mrs. Edith Dickson. It was quite a long ride on the train, but I'm sure that Kent and Terry found it a lot of fun, and are having even more fun there in Detroit with their relatives.

Joyce Wallace had a nice surprise a couple of weeks ago... she and her mother were watching TV when her mother mentioned that the fellow on the program sorta looked like Bud, Joyce's husband, and about that time Joyce looked out the window and there Bud was, home from submarine duty with the Navy. Joyce let out a squeal of delight (I would have too wouldn't you?) and rushed to give him the kind of a welcome that he had dreamed about all those 21 months that he was on active duty in Korea, Japan and Hawaii. He had never seen his daughter, Sundee, who is a year old so is really "having a time for himself" getting acquainted. Bud and Joyce left yesterday for Reno where they will visit Bud's folks Mr. and Mrs. Irven Wallace. Later Bud intends to go to school, so he and Joyce will make their home in Sacramento while he attends the University of Davis, there. It's indeed a happy household over there at 23205 S. Western Ave., and we say "Welcome Home," too.

Almost a Father's Day present, but not quite, was little Charles William Davis, new son and heir of Mr. and Mrs. Charles Davis of Huber St., who was born Saturday June 14 at Torrance Memorial Hospital. I could hear buttons popping when Daddy Charles called me, but I can't blame him, for who wouldn't pop buttons at an occasion like that, especially when the baby weighed 9 lbs., 4 oz? Equal pride and happy are sister Carolyn and brother Jimmy. Congratulations folks, and may you all enjoy baby Charles.

Speaking of new babies, we heard the other day that for mer Kettlerites Mr. and Mrs. Ken McCloskey, who used to live on Western Ave, have a new daughter, Laurie Ann, born at the Army Hospital in Victorville last March. Ken is stationed with the U. S. States Army there. Karon, two and a half, feels so proud to be stepping into the role of "big brother." Grandparents are Mr. and Mrs. Julian T. Croson, and Mrs. Doris J. McCloskey, all of Washington, D. C.

Let's take time out now to wish two very nice people a happy birthday... Marion Wilson of Marinette St. has a birthday Saturday the 21st, and Bill Benner of Schilling Dr. has a one the next Wednesday, the 25th... Best wishes and a very happy and enjoyable day to you both.

We had an argument settled at our house the other day when Mrs. Ivonne Peterson called me. Perhaps you, as I, wondered what that new building was that was going up on Cabrillo Ave. Daniel said it was to be a nursery, but Jorie and I were sure it was a private home. Anyhow, when Mrs. Peterson called me, the argument was settled

in Detroit, Mich. While there, she is to be the matron of honor at her sister's wedding. Going along on the trip with Betty were two of her children, Kent and Terry, for all it is a day nursery, quite appropriately named "The Playhouse," with everything built to scale for the children. It is a licensed nursery and Mrs. Peterson is a registered nurse, so her charges will get good care. It will be open soon, in fact not later than the first of July.

Bray were the recipients of a lovely barbecue grill for their new patio last Monday evening when approximately 50 friends and relatives gave them an unexpected patio warming. After initiating the new grill by roasting wieners and marshmallows, the group enjoyed home movies taken on vacations, holidays and

at get-togethers. It sure sounds like fun, and there will be many such gatherings at the Huber St. address in the future, we know. Two kings for the day reigned at the Walsberg residence at 1823 Reynosa Dr. on Father's Day Sunday, for there was

grandfather Emil Walsberg, and Daddy Herb Walsberg to share the honors. Herb's parents, Mr. and Mrs. Emil Walsberg of Bensfield and Mrs. Hilma Beck of Waukegan, Ill., were week-end guests there, thus making Father's Day more meaningful. Mrs. Beck is Herb's aunt, and had never met his wife Kitty, and daughters. In fact, she hadn't seen Herb since he was a small boy, so it was a very full week-end of visiting and getting acquainted.
